Welcome to the North Star Figure Skating Club! In an effort to ensure that all members are aware of the policies and procedures here at NSFSC, we have prepared this "Membership Packet" which we hope you find helpful. Happy Skating!

1. General

USFS (US Figure Skating) and Learn to Skate USA is the governing body for figure skating in the U.S. All tests, rules and regulations for skaters from the beginning Learn to Skate USA skater through the top Olympic skaters, are set forth through USFS and Learn to Skate USA. Skaters who are members of USFS are permitted to compete in USFS or Learn to Skate USA sanctioned competitions. Members of Learn to Skate USA are only permitted to participate in Learn to Skate USA competitions. All tests taken by members (of the USFS) are recorded at USFS Headquarters in Colorado Springs, CO. NSFSC (North Star Figure Skating Club) is a USFS sanctioned club. Club members are either Home Club (NSFSC is listed on their memberships as the club that they choose to represent when they compete and test) or Non-Home Club members (these skaters represent a club other than NSFSC).

Ice is contracted (booked) by the "season", the NSFSC "seasons" are typically:

Forms received after the deadline receive last priority.

10. Switch/Drop Policies - NSFSC HOME CLUB FULL MEMBERS ONLY

Definition of a switch:

A switch is a ticket given for contracted ice sessions that a skater cannot attend.

Switch Ticket Restrictions

1. A Switch Ticket will be issued for absentee skaters and be placed in their folder the following day (based on sign in sheets).
2. A switch may be requested in advance.
3. Switches may only be used for sessions that are level appropriate.
4. All switch tickets expire when the contract ends.
5. Each skater will receive 1 switch per session per month for sessions they cannot attend. Ex. for a 3 month contract, a skater may receive a maximum of 3 switches per session contracted.
6. Same day switches are permitted and do not count toward a skater's allotted number of switches per contract.
7. Switches may NOT be used for sessions that were contracted and subsequently dropped (must pay walk on price).
8. Switches are valid only if the contract is upheld. If the contract is broken, all switch tickets from the dropped session are void.
9. Not allowed on "no switches allowed" non contract sessions or star ice
10. If the session switching to is lower in cost, it will be considered equal.
11. If the session switching to is higher in cost, skater must pay the difference.
12. If the Skater's Coach requests a switch, it is still a switch.
13. If you do not have a switch, you must do a walk-on.
14. Switch tickets have no cash value and may not be redeemed for cash.
15. Switch tickets will not be offered for on or off ice classes.

b) Drop Policy (for skaters who remain members of NSFSC):

Skaters wishing to drop contracted sessions must submit their request **in writing** indicating the date the skater stops skating. Once a request is received, a fee of \$25.00 will be assessed.

Skaters who remain members of NSFSC will receive a credit for remaining contracted ice. If the contract is broken, any credit will be calculated with all previously skated sessions at the walk on rate. There is no charge to drop a session and exchange it for another session if it is of equal value. If the value is higher the skater must pay the difference.

11. **"Walk-on" and Payment Policies (for skaters who do not contract NSFSC ice time)**

Definition of a walk on skater:

A "Walk-on" Skater shall be defined as any Member whose name does NOT appear on the contracted list for the session on which the Skater wishes to skate.

Policies and Procedures to walk on:

13. **E-Mail**

IMPORTANT please print clearly on all forms. Emails are used to send confirmations, updates, cancellations, etc. NOTE if your email address is illegible, we will not be able to send a confirmation, update or cancellation. We will not refund a payment because you did not receive email.

14. Session Descriptions/Policies

Safety of our skaters is the primary concern. The right is reserved by the Club to designate a freestyle session a skating level requirement if the majority of the skaters are of a level that could jeopardize the safety of the beginning level skater. If a North Star Home Club Pro or a member observes a skater that obviously does not have the speed and level of maneuvers that may put that skater or other skaters at risk, it is their responsibility to bring this first to the attention of the Skater's Professional, and second, to the Skating Director. If this should occur, and it is necessary to switch a skater to another session, there will be no additional charges for the switch.

Types of Sessions

Moves in the Field	Pre-Preliminary – Senior (unless otherwise noted)
Leveled Freestyle	For skaters at the levels listed. Moves are not permitted.
Open	Moves/Freestyle/Dance

1. There will be 'No Admittance' to the ice for freestyle sessions until the moves sessions are over. Skaters must leave the ice as soon as the session ends and wait for the Zamboni to exit the ice prior to the beginning of a session.
2. A Skater is required to wear the orange vest when performing a program to music and has the right of way.
3. It is recommended that spins must be taught and practiced between the blue lines.
4. Skaters MUST keep moving on the ice. Unless injured, a skater must get up from a fall as soon as possible.
5. Congregating at the boards, on the ice or sitting on the rink barriers is NOT permitted.
6. Skaters and coaches are NOT allowed to have refreshments on the ice other than unbreakable, sealed water bottles.
7. Talking on cell phones, iPods, AirPods etc. are not permitted on the ice.
8. Proper skating attire. No jeans please. Hooded sweatshirts should also be avoided.

Cards will also be available to indicate whether a skater is doing a program for the 2nd time, and if they are testing or competing. CDs must be taken out of line after program is skated. All program music must be played from CDs, not phones.

If a skater is in a lesson:

1. They must indicate by placing the "IN LESSON" card inside of their CD case.
2. A skater's first program receives priority over all skaters who are in line without a lesson.
3. Coaches receive priority only once on each half of the session. Applies to ONLY ONE PROGRAM or ONE DANCE (not multiple dances).
4. Both skater and coach are responsible for knowing their place in line. Start your program as soon possible after the preceding program ends (this includes having the orange vest on or being ready to put it on). Vests must be worn on all NSFSC sessions, unless a skater is wearing a competition dress.
5. Music restarts are only allowed if the skater has not been able to complete the first TWO elements due to skaters in their way (not because the skater chooses not to complete the elements).
6. Skaters testing & competing: One week prior to the start of the event or test, skaters *in lesson* receive priority over skaters *in lesson who are not competing or testing* (first program only).
7. Ice dance music may be played on a moves session only if a skater is in lesson.

If a skater is NOT in a lesson:

1. They must indicate by placing the "IN LINE" card inside of their CD case and place their CD at the end of the line.
