

Covid Policies, Phase III effective 7/8/20

These guidelines will be modified periodically as restrictions are lifted.

Health & Safety Protocols

For the health and safety of our patrons and employees please do NOT come to the rink in the following instances:

- * You are showing symptoms of COVID-19 such as fever, cough, shortness of breath, chills, muscle pain, headache, sore throat, or a new loss of taste or smell.
- * You have been in close contact with someone infected by COVID-19.
- * You have tested positive for COVID-19.
- * A health care provider or public health official has recommended you to quarantine for any reason related to COVID-19
- * You MUST wear a face mask entering and exiting the building and while inside the building. Face mask optional while skating.
- * Players MUST arrive at the rink with gear (except skates) already on. Full hockey gear required.
- * Skates can be put on in the rink. Each player will have their own designated spot. Please bring a small personal bag for face mask, shoes, etc.
- * Helmets are required. Full face shield helmets are required for all players under 18 years old.
- * There will be no use of showers.
- * Only water will be allowed on the ice (no food or snacks of any kind).
- * Players MUST bring their own water bottles (our bubblers are not in use at this time).
- * Spitting and/or nose blowing without tissues anywhere in the building is prohibited.
- * Players will be allowed to bring (1) one puck and (1) one stick per skater to be used on the ice.
- * Players MUST leave the rink immediately (within 5 min) at the end of their session.
- * No spectators (at this time)
- * No trash cans (please take empty water bottles with you)

Arriving at the rink

- * Customers are asked to arrive no sooner than 15 minutes prior to the start of their session.
- * Arrival times will be staggered between sessions.

- * Please remain in your vehicle until doors open.
- * No congregating in parking lots.

Entering the rink

- * Enter the rink using the Rink C main entrance only.
- * A staff member will open the outside door prior to session.
- * Social distancing **MUST** be maintained by all players while in the building and on ice.
- * Traffic patterns will be clearly marked on the floor to Rink C & Rink A.
- * A parent/guardian may come into the rink one time to instruct skaters what to do, but must leave immediately once their skater is on the ice. Siblings will not be allowed in the rink. This restriction will ease up as the phases continue.
- * Each skater will have their own designated area to put skates on. It is **STRONGLY** recommended players come arrived dressed due to limited space. Bags will be allowed. Locker rooms may or may not be available.
- * Hand sanitizer available in multiple locations.
- * Water bubblers not available at this time.

Late arrival to rink

- * Entrance doors to the rink will close 1 minute before the start of the session.
- * Skaters late to the rink for their session will **NOT** be allowed to skate under any circumstances.

On the ice

- * All players will enter at the same time, remaining 6 feet apart at all times.

Leaving the rink

- * All players will exit at the same time, remaining 6 feet apart at all times.
- * After each session, a whistle will be blown by a staff member and skaters **MUST IMMEDIATELY EXIT THE ICE.**
- * Skaters will exit through the designated doors.

Other:

- * Staff will continuously clean front doors, door handles, etc.
- * During ice cuts, Zamboni drivers are required to wear a face mask and gloves as well as during all cleaning and disinfecting of common areas (bathrooms, doors, handles, benches, etc.).
- * No loitering or socializing inside the building.
- * Only one person is allowed in the bathroom at a time.
