

Protocols effective June 1, 2021

Important Information for all Coaches, Skaters, Spectators, Staff

Please read the below changes to our facility's protocols following Governor Baker's announcement & CDC Guidelines.

These changes will be in effect beginning Tuesday, June 1st, 2021.

- **Masks are no longer required for fully vaccinated individuals.**
- **We highly recommend all non-vaccinated guests to continue wearing a mask as per the CDC advisory.**
- **Anyone that would be more comfortable wearing a face covering should continue doing so whether vaccinated or not while inside or outside the facility.**
- **Please be respectful of all individuals who choose to continue to wear a mask.**
- **Locker rooms and showers will be fully open and hockey bags are permitted.**
- **Contact tracing is no longer required.**
- **To avoid large crowds in the lobby areas, please do not arrive more than 30 minutes before your program start time.**
- **All visitors and spectators are permitted.**
- **All other rink hygiene and sanitation standards will remain unchanged. Our staff will continue cleaning and disinfecting all common areas (bathrooms, doors, handles, benches).**
- **NorthStar Ice Sports Protocols are in addition to all Massachusetts State COVID Guideline.**

**For any questions regarding any of the above information,
please contact the rink management staff at 508-366-1562 or email us at
info@northstaricesports.com**
