

**BRONZE: BASIC 3-6
OPTIONAL SEMI-PRIVATE LESSONS
GROUPS OF 2-4 SKATERS**

What are they? Skaters who wish to accelerate their learning may add additional lessons during their practice time. These 25 minute lessons will consist of 2-4 skaters focusing on perfecting and improving their skill level.

All Access Training allows skaters to build their skating skills from a team of coaches (Team Bronze) who specialize in specific areas. Together Everyone Achieves More.

Team Bronze Director: Kelly Annese

Team Bronze Coaches: JoAnne Bliss, Kelly Annese, Vicki Cahill, Donna Jordan

Accelerated lessons are currently offered before or after Bronze Classes:
